MEMORANDUM FOR: Director *77 B6A*

FROM : John F. Blake
Deputy Director for Administration

SUBJECT : Annual Report of the Language Development Committee for FY 1975

1. You recently expressed concern at the diminution of the collective foreign language capability of Agency personnel. Your concern was stimulated by a short briefing given you based on the contents of the Annual Report of the Language Development Committee for FY 1975.

2. The Language Development Committee Report has received appropriate distribution, considerable discussion, and has resulted in some beneficial action.

3. Attached for your perusal is a memorandum to me from the Chairman of the Language Development Committee which gives an insight into both the problems and, more importantly, progress in meeting them.
